The winter session of this School will commence, as usual, on the 1st of November, and will be prolonged to five in-stead of four months, as heretofore. This extension of the session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by requiring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be specialdirected to the history of Jurisprudence, and to Civil History as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students. The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. Diplomas will be granted at the end of each session to such as are found qualified to receive them. M. C. JOHNSON, oct21—trif Chairman Board Trustees.

HUNTSVILLE, January 19, 1859. Dr. Burson: - I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperar medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea when having almost despaired of his recovery, I con-cluded to try your Alterative, two bottles of which, I believe, entirely cured him. MICAJAH CAYCE.

DR. BLEDSOE:—Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whem I thought to be the best physicians in the place and a great many different medicines, with momentary rebef. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscienciously recommend it to all persons suffering from diseases of the liver and dyspepsia.

HUNTSVILLE, Sept. 23, 1851. Dn. Blenson Having seen the publication of your Alterative Compound, I think it my dusy to say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

Giles County, Tenn., Dec. 23, 1851.

Dr. Blerson: — I feel that I should full short of my duty to you and to those who are afflicted, were I not to further ommend your Alterative Compound. It has entirely relieved me, so that I have not had conse to take anything in two months. I can est anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend. ELIZABETH J. HARWOOD.
